

Tree Board Minutes
May 9, 2019

Attending: Travis Kling, Linda Montgomery, Jacien Squires, and Scott Snider

Items discussed were:

- Thanks to Jacien Squires for working with the school so we could plant a tree for Arbor day. The tree was dedicated to Rick Burns for his service to the community.
- We discussed having some trees removed. We picked 17 trees on the Trees of Concern list for quotes on removal. We are asking for a by tree quote. Once we have received quotes we will pick which company to award the job to and which trees will be removed. Travis will write up the quote and send it to the village to go out on village letterhead.
- Everyone on the tree board will be looking at different areas in the village and propose some sites to plant some more trees.
- The next meeting of the Tree Board will be Thursday, July 11th at 6:30PM.
