**Handbook Policies**

Section 9.5 is proposed to be amended to roll over Personal Leave; administration believes employees who are unable to take leave in the current year through no fault of their own should be able to roll over with the approval of the Village Administrator. The Clerk expressed that this would make the policy for personal leave the same as vacation leave. Harper questioned a need to have six full days of personal leave in a year; she asked for specifics of the situation. Harper preferred to award this employee the three days instead of changing the policy. Harper moved to grant Richard Spencer three days of Personal Leave that he was unable to take in 2017; Wesaw second. Wesaw, yea; Wolfe, yea; Harper, yea; Sue Henwood, yea; Prince, yea; Snider, yea; motion passed.

Section 9.19 grants employees and their immediate family members a free pool pass. Sue Henwood moves to approve this change; Prince second.

Wolfe wants to use the park fence/flag money for the park but the donors have to approve such a change before it can happen.

There was discussion among the legislature regarding a delinquent utilities account; it was determined that this person still owes the bill.

The Clerk asked if the Village would want to join the new Chamber of Commerce when and if it re-forms. It was generally agreed that they would but no vote was taken.

Harper moved to adjourn at 7pm.

The next regular council meeting will be Monday, April 9, 2018 at 7:00 P.M. at the Village Offices located at 9090 Marietta Road.
