PLANS

The following information must be included with this application before this application will be considered for review:

- Plans and/or drawings drawn to approximate scale, showing the dimensions and shape of the lot to be built upon. Drawings need to include street locations and names adjacent to the property, and distances of the project from all lot lines (setbacks).
- Location and dimensions of existing and/or proposed buildings or alterations to existing buildings.
- If applying for a swimming pool permit, the drawings need to show the location on the lot as well as fences and gates.
- If applying for a fence permit, the drawings need to show the portion of the property to be enclosed and the fence height.

Applicant Signature: _____

NOTICE: Projects in the Village Center District are subject to approval by the Design and Review Board (DRB). This includes all Main Street addresses, the 100 block of N. Mulberry Street, 100 block of W. Marietta Street, and 100 block of N. Broad Street. Projects at these addresses must obtain a Certificate of Approval from the DRB before a zoning permit application can be reviewed.
